Packaged Gladiolus Bulbs for Counter Trade

We put up an attractively illustrated box in four colors with planting directions, etc., containing one each of a dozen distinct choice varieties of Gladiolus bulbs, which sell like the proverbial "hot cakes" when displayed on your counter or in your show window.

Every box has full directions for planting . . . making it ideal for even the casual gardener. Our suggestion is that you concentrate on the packaged item . . . it makes less dirt, occupies less sales time and counter space, and brings in the lion's share of business.

Strong, Vigorous, High Crown Bulbs.
